Environmental Sciences Education Award

Ecole Plamondon School

**ALBERTA
PACIFIC**
FOREST INDUSTRIES INC

Application Procedure

Purpose: Alberta-Pacific Forest Industries Inc. values the importance of education and continued learning. The **Al-Pac Environmental Sciences Education Award** is designed to encourage young Albertans to pursue further educational opportunities in the field of environmental sciences.

Value: Each year, one **Ecole Plamondon** student may receive a single \$500 award.

Eligibility: Applicants must have completed their studies at **Ecole Plamondon** and further accepted into their first year of studies at a recognized and accredited post-secondary institution. Qualifying programs of study include but are not limited to: environmental conservation, forest or plant sciences, forest engineering, renewable resources, forest business management, environmental biology or forest technology.

Selection Process: Staff from **Ecole Plamondon** will make up the selection committee. The committee will review all applications and will determine the successful applicant based on a satisfactory performance in:

- academics;
- leadership capabilities and skills;
- community involvement

Application Process: Al-Pac's funding deadline is June 30; however, the **Ecole Plamondon** Selection Committee may implement an earlier date. Completed applications must be submitted to the **Ecole Plamondon** Student Services department.

Award Presentation: When possible, a representative from Alberta-Pacific will present the \$500 award at the graduation ceremonies. When not possible, an **Ecole Plamondon** staff member is asked to present on Al-Pac's behalf.
